

HOW TO?

Grant Title IV Permission

To allow UCCS to apply financial aid funds toward additional charges on the bill (such as short-term loans, library/parking fines, Paw Prints charges, etc.), **students must authorize the use of federal financial aid funds for this purpose.** Without this permission, only tuition, fees, and housing will be paid by financial aid and **additional charges will require manual payment.**

1

Sign into the [myUCCS Portal](#).

2

Click on the **Student Financials (Bursar)** link from the dropdown at the top right of the page.

3

Click on the **Grant Title IV Permission** tile.

4

Select the **Grant Permissions** when prompted. Click on the correct permission form and review. Lastly select the **Yes, I have read the agreement** button and click **Submit**. Your financial aid will now pay additional charges on your UCCS bill.

You can revoke this permission at any time by contacting the Student Financials office at 719-255-3391 or bursar@uccs.edu.
