DISCLAIMER

- The bill estimator provides an approximation. Any difference between the actual billing calculation and the provided estimation may result in an additional amount due to the University or in a refund.
- The Board of Regents reserves the right to change tuition and fees at any time.
- The undergraduate lower division (freshmen/sophomore) rates are discounted. Plan ahead for when you become a junior. Check the undergraduate upper division (junior/senior) rates for the college/program in which you are enrolled. Costs vary depending on the college/program.
- These forms do not estimate costs for [UCCS Online & Academic Outreach](#) courses. To estimate those costs, please visit their website.
- Starting in Summer 2019, the core courses in the RN-BSN online completion program are offered through [UCCS Online & Academic Outreach](#). Please visit the [UCCS Beth-El College of Nursing](#) website for information and costs associated with these core courses.
- The Board of Regents approved a 3% tuition increase for students in 2021-2022 academic year, but the 3% tuition increase will be "bought down" by the one-time campus use of federal HEERF III relief funds for the coming fiscal year for students. This will reflect on your student account as a 3% increase in tuition with a 3% offsetting credit (waiver) applied to cover the increased tuition cost.

Enrollment - Tuition	\$0.00
College Opportunity Fund (COF)	\$0.00
Fees	\$0.00

Complete each section of the dropdown menu with the student information. Do the same for any other applicable dropdown menus in the billing estimator (such as **Housing Expenses**).

Once completed, you will see an estimated total for the semester in the **Totals** dropdown menu at the bottom of the page. Click this box for a breakdown of the total billing based on your selections.

Note: The billing estimator provides only an approximation of the bill. Remember this reflects only billed expenses for the chosen semester, not the entire year!
